National Committee minutes: 26-10-74

19-1-75

Because of the very large amount of material to go into the I.B., we have split it up into two parts. The second part will follow within a few days, in Internal Bulletin no. 26. These are the contents of I.B. 26:

- 'Ireland and Permanent Revolution', a 1967 document reprinted.
- articles by Trotsky and J.P.Cannon on Bolshevik conceptions of organisation, reprinted for the sake of their relevance to the case of Joe Wright.
- DS on 'IS, R&F, and the teachers'
- documents on the disputes in Bolton Anti-Fascist committee.
- NUT fraction minutes.

After getting that out of the way, we hope to get production of the I.B. back onto a more regular basis. Contributions for I.B. 27 should be sent to:

The Secretariat,
98 Gifford Street, London N1 ODF,
typed on A4 Roneo stencils if possible.
